The Handley is a non-profit community center serving the Northern Hills. The Handley provides convenient affordable access to a full weight room and walking track and is home to the Boys and Girls Club of Lead-Deadwood. Focusing on community, we took over the leadership of Lead Live in the summer of 2019.

Lead Live is a family oriented event in the Manuel Brothers Park that has taken place in Lead since 2011. We are excited to bring back some of your favorite activities as well as add new activities that work with the Handley's community and family focus.

Lead Live 2022 - Upcoming Events

- **Tuesday, July 12 - Summer of Lead Love** Live music by Camp Comfort, retail and food vendors, farmer's market, bounce house and free kids activities, beverage garden and so much more!
- **Tuesday, August 16 - End of Summer Family Bash** - music by High Rise, retail and food vendors, farmer's market, free kids activities, beverage garden and so much more!

The Handley's effort in putting on these events would go farther with the support of your business as an official corporate sponsor of Lead Live and the Handley. Below is a form, providing options for your business to become an official corporate sponsor for Lead Live 2021. Sponsors will be recognized on Facebook as well as marketing materials promoting the event and signs at the event!

Thank you for your time and consideration. The Handley Board is extremely excited to continue our leadership of this event and to support our great community. Your financial sponsorship, as well as your organization's participation and attendance are greatly appreciated.

Sincerely,
Murphy Churchill

Lead Live Committee
 Handley Board
